### **A personal approach**

You're busy, so you might not spend a lot of time thinking about the world of tissue products.

But it's a vital part of your business, it's something customers care about.

At ABC Tissue Products we work with you, our customer, to find the best possible solution. Whether it's premium quality tissue products or lower priced consumables, at ABC Tissue Products our range is broad enough to suit all needs.

Since we started in 1985, ABC Tissue Products has become the leading Australian owned tissue manufacturer, producing Australian made products for the Australian market.

The majority of ABC management team has been with the company from the beginning, offering a 'hands on' approach and is involved with every aspect of the business.

It is our personal approach to business, which ensures our personal commitment to our customer.

### **ABC Tissue Products - a proudly Australian owned company**

Australians have turned to ABC Tissue Products for nearly three decades as a necessary part of life. Everyday our products are called upon to enhance the health, hygiene and well-being of our families.

The company behind well-known and trusted brands of toilet tissue, facial tissue, kitchen towels and napkins, ABC Tissue Products is now one of the leading tissue paper product suppliers in Australia.

ABC Tissue Products has been able to achieve this by operating manufacturing facilities in Queensland, New South Wales and Western Australia and creating more jobs throughout Australia.

ABC Tissue Products has also established manufacturing & distribution facilities in Auckland, New Zealand, ensuring smooth, uninterrupted stock supplies for our client.

Future development planning & trend for ABC Tissue Products is to have manufacturing facilities in Victoria.

*ABC - Truly trusted Aussie Paper Manufacturer*

## ABC and the Environment

As a manufacturer of natural products ABC Tissue Products is acutely aware of the importance of the environment. Clearly the continuity of forests and ecosystems that provide us with raw materials are crucial to our future success.

ABC Tissue Products uses resources approved by the world's two largest forestry certification systems for responsibly managed forests, Forest Stewardship Council (FSC®) & The Programme for the Endorsement of Forest Certification (PEFC™). Their marks of approval are your guarantee that by buying our products you are helping to protect forests for future generations and promoting the responsible sourcing of timber resources worldwide. Furthermore, we do that extra bit for the environment by operating our own paper recycling plant in Brisbane.

## ABC SERVIETTES PRODUCT RANGE

# ABC Serviettes Product Range

## ABC Serviettes

Your customers will enjoy the premium look and feel of ABC serviettes, and you will appreciate the price and quality benefits they bring to your business. They offer a genuine alternative to labour-intensive, less absorbent products in the hospitality environment.

## Quiltex® 2 Ply Premium quality serviettes

Micro quilting gives these serviettes extra softness, making them gentle to the skin for the most discerning customer. Quiltex is also a very strong product with powerful absorption technology.

Available in a range of popular décor colours, it's the ideal choice for any hospitality need.

## Luncheon and Dinner Range

With sumptuous softness and the distinctive ABC rose pattern, these serviettes create a classic, sophisticated mood around the table. They are available in both 2 and 3 Ply, in a wide range of décor colours.
