

Henry Ngai Australian Charitable Foundation

Dear

Thank you so much for taking action and responding to the Nepal Flash Floods Emergency Appeal.

Your compassion is greatly appreciated and will help our local teams provide support to families whose lives have been turned upside down by this disaster.

Thanks to generous supporters like you, emergency assistance such as shelter, clean water, hygiene supplies and other essential items can help reach families in the worst-affected areas.

Our teams in Nepal are working alongside local partners who know these communities, to help support women and girls and reach those facing the greatest risks in the aftermath of the floods.

I can assure you we will continue this crucial work, putting your kind gift to use where it's needed most, offering relief, and hope, to help these communities recover and rebuild.

On behalf of CARE, please accept my deepest gratitude, you really have done an incredible thing.

Kind regards,

Emma Latham
Supporter Care Coordinator
